YOUR GOAL.

ABOUT US

Given the high demand in our community for NDIS service providers whose objective is to provide the needs of the NDIS participants in a timely fashion

Veritas Care Services was established and equipped with the right care team to support participants towards reaching their individual goals

VISION

Our vision is to provide ease and satisfaction to persons with disability through providing high quality and effective support services for participants, their families and our staff.

MISSION

Our mission is to provide a high quality level of support with a person-centred approach; as this is the foundation to safe and high-quality healthcare, in response to, and in respect of the needs, preferences and values of the individual participant. Our experienced team of support workers, nurses and allied health professionals are here to promptly put your individual needs first.
